

This technical drawing is a cross-sectional view of a corner joint in a building's exterior wall and roof. The drawing illustrates the following components and layers:

- 1**: The main structural wall or roof slab.
- 2**: A vertical structural element, possibly a column or part of the roof structure.
- 3**: A horizontal structural element, likely a base or foundation.
- 4**: The ground level or a base layer.
- 5** and **5a**: Insulation or protective layers on the horizontal surface.
- 5b**: A specific layer or detail at the corner junction.
- 6**: A vertical layer or insulation on the wall.
- 7**: A small horizontal protrusion or detail on the wall.
- 8**: A layer or detail at the top of the wall.
- 9**: A vertical layer or insulation on the wall.
- 10**: A vertical layer or insulation on the wall.
- 11**: A vertical layer or insulation on the wall.
- 12**: The interior space or room.
- 13**: A horizontal layer or detail at the base of the wall.
- 14**: The exterior surface or finish of the wall.
